

Joshua Mackey

Professional Voiceover & Audio

Professional Summary

Dynamic and experienced Professional Voice Talent and Audio Producer with over two decades in the audio industry. Recognized for my versatile non-regional U.S. English accent, I've lent my voice to a diverse range of high-profile clients across the globe, including Hulu, Nissan, Nike, Microsoft, and many more. My extensive background in voiceover, audio production, and creative content creation make me a valuable asset in delivering compelling messages and enhancing brand identity. Committed to exceeding expectations, beating deadlines, and ensuring exceptional quality.
