

Joshua Mackey

Voice Artist | Audio Producer

A passionate voice talent and audio producer that focuses as much on building strong professional relationships as providing high-quality professional audio. I believe in consistency, professionalism, and delivering great audio.

Professional Experiences

Owner/Talent

Mackey Media Group, LLC
November 2012 - Present

-Provide voiceover & audio production services for a large list of domestic and international clients including John Deere, Hulu, Sony, Pepsi, SiriusXM, Tesla, Total Energies, Kellogg's, Johnson & Johnson.
-Operate a professional recording studio featuring a RODE NTV Condenser Microphone, Focusrite Scarlett 2i2, Behringer DT 770 Pro Headphones, Event 20/20 Studio Monitors, Adobe Creative Suite, and a fully treated sound booth.

On-Air Talent/Producer

Clear Channel Media/iHeartRadio
April 2005 - November 2012

-Hosted a morning talk show, a midday call-in show and numerous live broadcasts including on-location remotes, contests and live emergency weather and fire coverage.
-Maintained and improved ongoing creative and development of client sales messages, including copy writing, production and voiceover for a three-station cluster (Hot Country, Classic Hits, Adult Contemporary).
